CAMERON GETS FIRST 1938 BALE

O'Daniel Gets O. K. From Milam Demos

A poorly attended, unimpressive Democratic convention here Saturday will be remembered for what it did not do rather than for its proceedings.

The convention overlooked indorsing the national administration and its leader, President Roosevelt and manifested opposition to a $30 payment for old age pensions when it declined on a direct vote to indorse that portion of W. Lee O'Daniel's platform.

After passing 2 resolutions indorsing Mr. O'Daniel and pledging support of the Milam County Democrats to his election in November, the convention voted down by twelve to seven a mention by J. B. White, editor and publisher of the Cameron Herald, who sought to have the convention indorse the $30 old age pension payment.

Mr. White said the present constitution limits the amount to $15 that can be paid from state funds. He pointed out that the average old age pension payment now is slightly over $13 representing less than $7 for the state's part to the limited number now receiving old age assistanee. When the old age pension amendment was adopted, provision was made for acceptance of funds

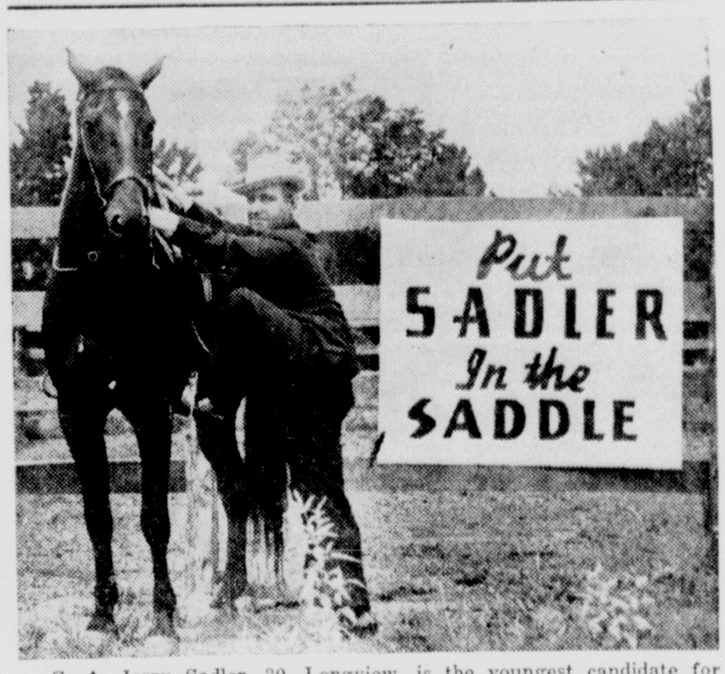
READY FOR RUN-OFF



G. A. Jerry Sadler, 30, Longview, is the youngest candidate for State office and is opposing the oldest. Sadler fought through a field of veteran campaigners to run a close second to C. V. Terrell, incumbent in the Railroad Commission, who has been in public office in Texas for more than half a century. Sadler's slogan is "Put Sadler in the Saddle," and he is shown here with one foot in the stirrup. Sadler promised a continuation of his same fast and furious campaign methods that enabled him to win a run-off place.

MRS. J. OTTO KELM DIES AT BEN ARNOLD

Mrs. J. Otto Kelm, pioneer resident of Ben Arnold community died Thursday morning at the family residence. Funeral services will be conducted by Rev. Kalkbrenner, pastor of Vogelsang church from the family residence at Ben Arnold, at 3 p. m. Friday, August 5, 1938, with services at the Vogelsang church. Interment will be made in the Ben Arnold cemetery. Mrs. Kelm has been a resident of Milam County for many years, and her death removes from the ever-lessening roll of pioneers, one who will be greatly lamented by many friends of a lifetime.

She is survived by her husband and a number of children one of whom a son, Otto Kelm, is with the Dan G. Davis store in Sharp. The Herald extends sympathy to the bereaved family and relatives.

CANNOT BE SOLD WITHOUT A PERMIT

Cameron's first bale of 1938 cotton was ginned by the Slocomb Gin Company at noon Monday.

The bale was produced by E. B. Yeager of Jones Prairie and weighed 530 pounds. The seed weighed 980 pounds.

The first bale of cotton ginned from the crop of 1937 was brought to the Slocomb gin on July 22.

The Chamber of Commerce, under direction of the secretary, was raising a premium to be paid Mr. Yeager, but the amount could not be ascertained at the time of going to press.

The bale will be sold on Monday. Due to federal government regulations, a permit is necessary to sell the bale as the allotments have not yet been received at the office of the county agent. Whether permits generally would be required during the fall, has not been ascertained but it was generally believed that free cotton would have to be designated as against cotton raised on land without authority from the Washington government.

Crop prospects in Milam County were reported as favorable. The recent overflow in Little River bottom is said to have damaged cotton around 20% in the area flooded, a figure much lower than the original estimate.

Cotton generally was maturing better than during the previous season and although the acreage is cut below the 1937 acreage, it is believed that the production will be substantially the same.

Cotton was selling at a little over eight cents basis middling in Cameron at noon Thursday.

135 People Get Employment During July Through Office Of Agency Here

The Texas Employment Service, located temporarily in the lobby of the Cameron Hotel at 206 North Central Street, is now serving both Milam and Robertson Counties, with itinerant service at Hearne weekly, R. C. Moody, local manager of the Cameron office, said yesterday. There is also a Texas Unemployment Compensation Commission representative available to claimants seeking information about filing claims for job insurance.

During July the Cameron office reported a total of 135 people put to work; also 88 initial claims and 751 continuing claims filed for unemployment compensation.

Mrs. L. J. Windham of Texas City, sister of Mrs. J. B. White, is visiting at the ranch home of the Hunts near Killeen in Bell County.

Rotarians Plan Award to High School Student

Cameron's first award of recognition for a high school student, was made Wednesday by Cameron Rotary Club when the members voted to establish annual recognition for the outstanding student of the senior class. Dr. Clifford Swift, president of Cameron Rotary Club, will name a committee to announce the rules under which students may qualify for this award. The award will be in the nature of a fine gift to be selected by the committee and will be announced soon, and will be on display in the show window of a prominent down-town store. The American Legion, each year makes an award in the grade school. The Rotary Club will take this fine practice to the high school.

Sueprintendent E. A. Perrin said Thursday that he heartily approves this fine gesture on the part of the Rotarians and welcomes this interest in the outstanding students of the high school.

The Rotary Club voted to meet for weekly luncheons at the Cato Cafe for the present. The session Wednesday was given over to business.

The Rotarians have a number of civic gestures in mind, one of which is to sponsor an iron lung for Cameron and vicinity. These lungs are coming into rapid use for treatment of a number of diseases and only one hospital in twenty-five now has this equipment. Whether this ambitious provision can be made depends largely upon the ability of the club to finance the equipment.

Largest Sun Flower Shown Here; Is 21 Inches Across Face

N. Y. Hayes of Milano, a successful truck farmer, last year purchased some watermelon seed from Bud Smith of Gause.

This year, he not only raised a fine crop of melons, but some of the largest sun flowers ever seen in this section. He brought a speciman to the Herald office Thursday. It measured four feet, one inch in circumference, and was twenty inches in diameter. This is the largest speciman ever exhibited in Cameron so far as information indicates.

Sun flowers are used extensively in many sections of the country for poultry feed.

Cameron Publicity Campaign Gets New York Results

Cameron's modern publicity campaign is getting results in a big way.

Recently the New York Times published a photo of the Ben Milam statue in its photogravure section giving the date on which it was to be unveiled on the court house lawn at Cameron, and the name of the sculptor, Bryant Baker of New York.

Newspapers and magazines are cooperating with the Chamber of Commerce in Cameron and are giving liberal space to news items and happenings of interest in the Friendly City.

FAME FRIGHTENS HER

Greto Garbo, the tall slim Swedish girl who has become one of the most glamorous personalities of the screen, was frightened by her fame because she is naturally shy and timid. It is this inherent desire for privacy that has created the impression that she does not like socieiy.

Chas. C. Smith Opens New Tailor Shop in Cameron

Mayor Charles C. Smith annaunced Saturday the opening of his new Tailor Shop and Laundry in a new building which he has just completed near his home.

The building is modern in every detail and will house a modern tailor shop and laundry machinery. Although Mr. Smith will be located away from the up-town business district, he will be able to give his patrons a better service because he has a modern plant in his own building.

Mr. Smith has been engaged in the tailoring business for a long time in Cameron, and his friends will congratulate him on the progress he is making in his business. For a limited time he has special prices on tailoring and hat blocking.

Waco Rotarian Speaks to Club Here

Cameron Rotarians heard Tom Wolf, president of the Waco Rotary Club, in an address at the weekly luncheon on Wednesday, July 27.

Mr. Wolf brought a report of the Rotary Inernational Convention held recently in San Francisco and in his discussion gave the Cameron Rotarians a picture of the world-wide activities of Rotary. There were more than 60 nations of the world represented with delegates at the international convention.

Despite world conditions today, Rotarians throughout the nations of the earth are working for peace. A notable example of this recently occurred when Rotarians in Tokyo, Japan, made a large contribution to war relief activities being carried on by Rotary Clubs in China.

When the Cameron Rotary Club was organized, a Rotary Club in Tokyo sent a letter of greeting and a Rotary flag showing the emblem of the rising sun. Mr. Wolf was in Cameron upon invitation of Dr. Clifford Swift, who is president of Cameron Rotary Club. Lester Leady of Waco was also guest, as were the president and secretary of the Temple Rotary Club.

Phillip Reid and Family Move to Wichita Falls

Phillip Reid, former cashier of the Citizens National Bank and now Assistant National Bank Examiner, was in Cameron for the week end.

Mr. and Mrs. Reid with their children, Angie Jane and Billy Mack, have moved from Cameron to Wichita Falls where they will make their home in the future.

Cameron friends regret to lose this fine family and wish for them much success in their new home. Mr. Reid is reported as one of the leading young bankers of Texas.

Liquor Permits Should Be Renewed Now Says Agent

J. D. Bassel, representative of the Texas Liquor Control Board, was in Cameron Thursday and made the announcement that liquor permits which expire on August 31, are being renewed at this time.

Dealers who wish to renew their permits, may do so now. The Board wishes to avoid last minute issuance of permits because expirations are made on the last day of the month. Permits are being issued now and will be mailed out two or three days before expiration. Dealers who wish to protect themselves, should renew their permits at once.

Mr. Bassel said every effort was being made to stamp out bootlegging and to protect the legitimate dealer. His headquarters are in Bryan.

Knights Pythias Held Open House

Knights of Pythias held open house on Monday night, August 1. The meeting was attended by a large number.

Emory B. Camp, acting Chancellor Commander stated objectives to be attained through these open house meetings and welcomed the visitors.

Judge Graham Gillis made a talk on Pythianism and its origin. Talks were also made by J. W. Haygood and Emory B. Camp. At the close of the meeting, refreshments were served and games were played.

Mr. and Mrs. O. B. Mackensen and small son Wallace Bernard of Baton Rouge, La., are iisiting her mother Mrs. Katie Robbins and twin sisters. Mrs. Mackensen formerly was Miss Katherine Robbins and was a member of the Yoe High School faculty.

Thirty Years Old Buckholts Newspaper On Display Here

Thirty years ago in the city of Buckholts a newspaper, The Buckholts Bulletin, was published.

Thursday, a copy of this paper dated July 4, 1908, was brought to the Herald office by S. B. Sample of Buckholts. He has preserved this copy for thirty years.

The paper was a five-column size and well patronized with display advertising. Among the ads, was one by Newton and Young, Physicians and Surgeons. The late Dr. W. R. Newton lived in Buckholts at that time and was a partner of Dr. Young in a hospital. He later moved to Cameron and established the Cameron Hospital.

The Buckholts Bulletin was one of a number of newsapers published in the small towns surrounding Cameron. Burlington had a newspaper, Milano and Gause both had newspapers, and Thorndale at one time had two newspapers.

Vets Foreign Wars Get Camp Here

There is now in the process of organization in Cameron, a local post of the Veterans of Foreign Wars of America. This new post will be known as the "Ben Milam Post 2010" and its privileges will be open to veterans who have followed the flag on foreign soils or in hostile waters.

This new veterans organization will in no way conflict with the present organizations; in fact, most of its members will take an active part in both the American Legion and the V. F. W., and since its doors are open to veterans of all wars (not just that last world war) it will strengthen the veterans cause considerably.

This association was originally organized in 1898 and known as the American Veterans of Foreign Service. In 1914 it was amalgamated with the Army of the Phillipines, Cuba and Porto Rico, and the present name chosen. At this same time, it was chartered by the Federal Government and incorporated into an association.

The objects of the Veterans of Foreign Wars of the United States of America are "fraternal, patriotic, historical and educational; to preserve and strengthen comradeship among its members; to assist worthy comrades; to perpetuate the memory and history of our dead; and to assist their widows and orphans; to maintain true allegiance to the Government of the United States of America, and fidelity to its constitution and laws; to foster true patriotism; to maintain and extend the institutions of American Freedom; and to preserve and defend the United States from all her enemies, whomsoever."

It is the hope of the charter members of this new organization that its membership will be drawn from all over the county, and that it will grow into an active, worthwhile veterans organization that will command the respect and co-operation of the citizens of the county.

BEN MILAM, A TEXAS HERO

By Sam L. Stephens
Cameron, Texas

Ben Milam, the Texas hero
Who controlled a vast expanse,
Through a land grant as Empresario
Gave the pioneers a wonderful chance,
To reach their goal of freedom
From the oppressive and dictatorial laws,
Of a tyranical despotic kingdom
That oppressed without just cause.

* * *

Ben Milam, the illustrious patriot and pioneer,
Who gave his life and his all,
For the principles he loved so dear
And as a solider he answered the pioneer's call.
Ben Milam the Texas hero,
A pioneer bold and brave,
Who died in the battle of San Antonio
Today lies in an honored grave.

* * *

Today there stands a monument
On the City of Cameron's square,
Portraying how his life was spent
That Texans would have a fair share,
Of a vast and resourceful domain
Of which Milam County is a part,
Perpetuating his name and fame
In every Texan's heart.

Mrs. Camilla Stuart has gone to San Antonio to visit a while with relatives and friends out on a ranch

FARM CLUB NEWS

Mrs. L. A. Abel,
Bryant Station Home Dem. Club,
Buckholts, Texas:

"Husbands should tell their wives where the money goes, thereby avoiding one of the most common causes of discord and divorce," Barbara Van Heulen stated in her talk "Woman's Place in Farm Finances' at Short Course. "If the wife has a workable knowledge of the family's business affairs she can not only cooperate intelligently in spending the income, but can carry on, without loss and with a great deal less worry, if her husband dies.

"Another thing parents must not neglect is to teach their children obedience, co-operation and wise use of money," the speaker also said. "This not only makes for happier living during their chilhood but also makes them better men, women and home makers when they grow up."

Mrs. Beuna Chambers,
Bryant Station Home Dem. Club,
Rogers, Texas:

"Aluminum is not poisonous and does not cause disease. It is not absorbed into the blood stream, so cannot do the body harm, as many people believe. This has been definitely proven after long exhaustive tests by the world's greatest scientests," Mrs. Bartow McAnulty told the members of the Bryant Station club in a meeting with Mrs. B. B. McAnulty on Thursday, July 28.

"Aluminum is a sperior conductor of heat, food cooks more quickly in it, therefore, is a time and fuel saver rather than a harmful article to use" Mrs. McAnulty stated further.

Miss Nelda Sue McAnulty read a paper giving definitions of terms used in cooking with which many of us are not familiar as: A-la-mode, in the accepted manner, pie topped with ice cream is an example.

Mrs. L. A. Abel gave an interesting and instructive report of Short Course.

The hostess served refreshments to the eleven members present and 6 visitors as follows: Mrs. T. H. Rackley and Misses Eva Rackley, Melba King, LaVerne Abel, Marie Lovely and Nelda Sue McAnulty.

The next meeting will be with Mrs. Beckhusen on Thursday August 11th. Miss Dorothy Porter, Home Demonstration Agent will be present to discuss "Something Can Be Done About the Tehperature." Visitors are cordially invited.

THORNDALE GETS FIRST BALE 1938 COTTON

Thorndale's first bale of cotton was ginned Tuesday morning by the Home Gin Company of that city.

News of this first bale was telephoned to the Herald office by R. L. Batte, Jr. The bale was produced by Charles Miertschin on the E. A. Miertschin farm about one mile from Thorndale. The bale weighed 565 pounds and was sold for 9 1-2c per pound to the Thorndale Mercantile Company. The seed weighed 1046 pounds and were sold for $25 per ton rate.

The merchants of Thorndale were contributing a premium, the amount of which could not be ascertained at the time Mr. Batte called the Herald office.

Mr. and Mrs. Hesse Return to Home In Burlington

E. B. Hesse, who for the past year or more has been a resident of Bartlett in Williamson County and with the postal service out of that city has returned to Milam County and will live again at his old home in Burlington.

Mr. and Mrs. Hesse, with their children, James Edward and Barbara Ann have been given a warm welcome by their old friends in Burlington and in Cameron. Mr. Hesse plans to enter business in the little town of Barkley in Falls County within a short time.

He was in Cameron Friday and was taking a week's rest before engaging in business. Mrs. Hesse before her marriage was Miss Kleypas of Westphalia. Thus Milam County has regained citizens who for some time have been living away from their home.

Negroes Display Harness at Show At Prairie View

There are 104 sets of fine home made leather harness on exhibit at Prairie View College, in the old chapel building from July 25 to August 17. This exhibit is being held in connection with the three weeks Extension Service School where all of the Negro County Agents of the states of Oklahoma and Texas are attending. This is the largest exhibit of its kind ever held in Texas and is the second harness exhibit held in Prairie View.

The work of tanning the leather and making the harness was done by Negro farmers of 41 counties who are conducting leather demonstrations under their county agent. Commissioners Courts and Chambers of Commerce co-operated with the farmers in many of the counties by furnishing hides and material for tanning. The work for the exhibit was started in the first week in March and continued through the month of June. Schools and demonstrations were given and conducted during that period in all phases of the work, either in the communities of the farm or in the county agents office.

The work was started for its economic cost just one third the price of a set bought by them.

This harness exhibit has been viewed by more than 2500 persons from various parts of the state and other states. C. W. Warburton, Director of Extension Work for the United States, Washington, D. C., and Mr. Harry L. Brown, Assistant Secretary of Agriculture, Washington, D. C., were among those who inspected this exhibit. The Negro County Agent of Milam County furnished 4 sets of harness for the exhibit and is attending the agents school that is designed to better prepare agents for service in the counties of the state. Teachers for this school are being furnished from Washington, D. C., A & M College and Prairie View College.

CANDIDATE FOR

REPRESENTATIVE

64th District

Milam County

Run-off Primary, Saturday, August 27th, 1938

TO THE PEOPLE OF MILAM COUNTY:

As a candidate for representative to the Texas Legislature from the 64th district, Milam County, I pledge my support to the following:

1. Full payment of $30.00 per month to every person in Milam County who has reached the age of 65 years.

2. I heartily indorse the position taken by Honorable W. Lee O'Daniel, our Democratic nominee for Governor of Texas, and pledge him my support and co-operation in the coming session of the Legislature.

3. I pledge my support to the school teachers of Texas and will vote for any legislation that will insure to them an adequate retirement fund. I also favor as high apportionment possible for the school children of Texas and the support of our public schools. I will vote for and support any legislation that will give full payment to bus drivers who transport our children to the schools of our county.

4. I pledge the school teachers of Texas and all those who work for the state that I will vote for and support any measure that will insure to them full payment of their vouchers without discounts at the bank.

5. I am wholeheartedly in sympathy with Governor O'Daniel in his plan to give Texas a business administration and to make this state a great industrial empire to consume the products of the farm and to bring employment to thousands who now have no jobs.

6. I favor exempting all homesteads in Texas up to $3,000.00 in value from taxation for state purposes as now provided. A man's home should be his forever against such claims and I shall oppose any attempt to change this law.

7. Each year Milam County suffers heavy losses from floods and overflows. The people have had no relief from these losses. Some years ago the legislature began passing laws exempting certain counties from the payment of state ad valorum taxes. I think Milam County should be included with the 48 counties that have already been exempted and therefore will urge the legislature to give relief to Milam County.

8. I am a farmer. I live on a farm. I have lived in Milam County all my life. I am twenty-eight years of age and have had a life long experience as a farmer and a number of years experience as a business man and I feel that I know the needs of all the people of Milam County. If you will elect me to the Legislature, I will make you a good representative because I have had the experience and will serve all the people all the time.

Turner Pledges Support to O'Daniel

Reese Turner, candidate for Representative from the 64th District who led the ticket in the first Primary on July 23, announced here Tuesday he had promised Governor elect, W. Lee O'Daniel full co-operation if he is elected in the run-off primary on August 27. Mr. Turner was one of the first men in Milam County to send congratulations and promise of support to Mr. O'Daniel when it became apparent that the Fort Worth business man had won the governor's office without a run-off.

Mr. Turner, shortly after he had written a letter to Mr. O'Daniel on Saturday night, July 23, exhibited a copy of the letter. After he had received election returns on Saturday night, he wrote Mr. O'Daniel and the letter in part is as follows:

"Dear Mr. O'Daniel: Allow me to congratulate you on your sweeping victory in your race for governor. you have received an unparalelled honor from the people of Texas.

"I realize, as you do that the success of a governor in promoting the welfare of the people, depends largely on the co-operation he receives from the legislature. It is my earnest hope that you will be given an undivided support of the House of Representatives and the Senate. If I am elected in the run-off primary to the House of Representatives from the 64th District, I will do everything within my power to help you carry out the splendid platform upon which you have made your race for governor.

"I deeply approve the manner in which the people of Texas have acclaimed you their governor, and if I am elected to represent the people of Milam County, I will follow your leadership and co-operate wholeheartedly with you in solving the perplexing problems with which we are faced.

"I extend to you my best wishes for a happy and successful administration."

In his letter to Mr. O'Daniel, written on Saturday night, July 23, Mr. Turner discussed his platform, and called to the attention of Mr. O'Daniel his principles set forth in the "Creed and Pledge," which the candidate for Representative had circulated among the voters of Milam County from April 14 throughout the campaign.

In his platform, Mr. Turner advocates:

1. A pension of $30 per month to every person in Texas who has reached the age of 65 years.

2. Re-organization of the state government and elimination of all unnecessary expenditures.

3. Revision of the tax laws and distribution of the tax burden according to ability to pay.

4. A program of flood control for Milam and adjoining counties.

5. A soil conservation program through which the fertility of our soil will be prseerved for future generations.

6. Adequate appropriations for education, so that school teachers, school bus drivers, and all other school employees can be paid in full according to the terms of their contract.

7. An aggressive program on the part of the state government to bring industries to Texas which will absorb our surplus labor and create a market for our raw materials.

Church Women Meet in Cameron

Representatives of the five churches associated in the Cameron Council of Church Women assembled for a morning tea last Friday in the home of Mrs. J. P. Love, president.

The occasion was planned for the presentation of important features of the meeting of National Council of Church Women held at Denison University, Granville, Ohio, earlier this summer.

The theme of the National gathering was "Christian Womanhood United in Action," and the high points of addresses by nationally known speakers at that meeting were presented to the local group of fifteen interested guests.

Martin Ermis is in Marlin for the next three weeks taking treatment. He will be located at the Artesia Hotel in that city and will read the Cameron Herald sent to him by his frnend, Roy Jeter.

O. J. Thomas to Prairie View for One Year Leave

O. J. Thomas, for a number of years the Principal of the Colored High School in Cameron, left this week for Prairie View Normal, where he will be a member of the faculty in charge of teacher's training for vocational agriculture.

The colored high school in Cameron was named for O. J. Thomas by the Cameron School Board in recognition of his outstanding service as principal of the school. During his stay in Cameron, he was largely responsible for building up to the attendance and prestige of the school.

Henry Staton, a member of the colored school faculty, will become principal during Thomas' absence. Having been granted a leave of one year by the school board, Professor Thomas will spend the next nine months in Prairie View and in all probability will not return to Cameron.

Mr. and Mrs. White were guests in the Hunt home Saturday night and Sunday.

CARD OF THANKS

We are deeply grateful to our friends and neighbors for their kindness to us during the recent illness and at the death of our beloved husband and father, Steve Burtis, Sr. You came to our assistance in an hour of great sorrow and we will remember kindly your expressions of sympathy and many acts of kindness. DEMOCRATS PLEDGE SUPPORT TO NOMINEE

Milam County Democrats in convention Saturday indorsed Hon. W. Lee O'Daniel as the Democratic Nominee for Governor and pledged their support for his election in November in the following resolutions:

Resolution No. 1

Whereas, Hon. W. Lee O'Daniel candidate for Governor, received the largest vote of indorsement ever given a candidate for this high office in Texas, in the Democratic Primary election on Saturday, July 23, 1938, and,

Whereas, the people of Texas have demonstrated by this overwhelming vote that they approve his leadership; that as the nominee of the Democratic party in Texas for the office of Governor, he has the support of the majority of the people of this state, therefore, be it,

Resolved by the Democrats of Milam County in convention assembled that we declare our support for the successful candidate, the Hon. W. Lee O'Daniel, as the nominee of our party; that we pledge him our cooperation in every way and will follow his leadership, voting for and supporting him in the November election with confidence in his ability and patriotism to give Texas a good administration of the government Be it further,

Resolved that the Democratic Convention of Milam County, Texas, send greetings to the nominee for Governor with our assurance of support and loyalty in his coming service as Governor of Texas.

Resolution No. 2

Whereas the Hon. W. Lee O'Daniel received a substantial majority in Milam County in the late Primary Election; and

Whereas this convention will select delegates to attend a State Convention of the Democratic Party at Beaumont, Texas, and it is the consensus of the Convention that the will of the voters of Milam County be caried into effect, now,

Therefore be it resolved that the delegates from Milam County to the State Democratic Convention be instructed to actively support and vote for the principles advocated in the platform of the nominee for Governor, the Hon. W. Lee O'Daniel: and be it further,

Resolved that the Milam County legates be instructed to vote as a unit.

Resolution No. 3

Be it resolved by the Milam County Convention of Democrats assembled that we cangratulate and commend the patriotic and gallant efforts of those of our Milam County leaders who fought so cleanly their losing battles for candidates they deemed best suited for the office of Governor of Texas. The campaign was signally free from rancor. We desire the wholehearted co-operation of the entire electorate for the success of the new administration.

Resolution No. 4

Be it resolved by the Democrats of Milam County, Texas, in convention assembled on this, the 30th day of July, 1938, that the Commissioners Court of Milam Count and such other authorities as may be concerned, be hereby requested and urged to take the proper and necessary steps to secure labor and material as may be necessary with government aid to clean out the channel of Little River. We realize the very great damage done by the recent overflow, which will throw much labor out of employment and which has destroyed much property and thereby deem it not only wise and expedient, but very necessary that this work be commenced and carried forward to early completion, so that, if possible, such disasters may be, at least partially avoided in the immediate future.

These resolutions were presented to the convention by a Committee composed of Lee R. Clore, A. N. Green and Ray O'Neil.

Sheriff Kennedy Goes to Sanitarium In West Texas

Sheriff R. M. Kennedy is in San Angelo in the Sanitarium. The sheriff left Cameron last week for an indefinite stay in the Sanitarium. His health was reported critical and it was expected he would not be able to return to Cameron and his duties as Sheriff for several months.

Mr. Kennedy has an infection in his lungs and time will be required to improve his condition. Physicians here advised him to go away and rest for several months which will be necessary if he recovers from his present illness.

Friends here and over the county will be glad to know that Mr. Kennedy is resting well. A letter to Dan Gunn, office deputy, from the sheriff Monday said he was doing fine and feeling much better.

Moraw Brothers in Chicago to Finsh Air Corps School

Messrs. August and Albert Moraw, sons of Mrs. Frances Moraw, will graduate on August 5, 1938, at the Air Corps Technical School upon the completion of an airplane mechanic's course.

The Air Corps Technical School, through rigid examinations accepts men and gives them an intensive technical training, required by the Air Corps. Numerous other technical courses may be had. The training received, places the graduates with the country's best. This school is to the technicial what Randolph Field is to the flying cadets. Though it is little known to the general public, it is known to leaders in aviation as the outstanding technical school in the United States.

Immediately after graduation they will be transferred to Langly Field, Virginia the headquarters of the G. H. Q. air force, the directing center of all air corps activities.

Before entering the air corps, the Moraw brothers studied for two years, aeronautical engineering at N. T. A. C., Arlington, Texas.

Mrs. Cornelia Vogel and sister, Mrs. Fannie McLane left Monday for a visit with relatives in McAlister, Okla., and other places.

To the People of Commissioners Precint 2:

I am thankful for the privilege I will have to serve the people of this precinct for the next two years as their commissioner.

Although I had no oppostion, I feel it incumbent upon me to express in this manner, my deep appreciation and it was my happy experience to visit all parts of the district during the campaign and I had the pleasure of greeting personally the fine people who live in the precinct I serve.

It will be my earnest desire in the months to come to give the people a service that will measure up in every way to their expectations and fulfill the confidence they have expressed in me to transact their business as a member of the commssioners' court.

If at any time I can serve any of you I will be only to happy to have you call on me for I consider a public office to be a public trust, and I am working for you, and you should feel free to call on me.

Sincerely your friend,

GRADY STIDHAM

To the Voters of the 13th Senatorial District:

I appreciate more than words can express, the confidence placed in me in the Special Election of July 23rd. I assure you that I will be on the job at all times and never shall I betray the confidence of the people.

If I can be of service to you at any time, please feel free to write me or come to see me.

Sincerely your representative,

DOSS HARDIN.

Remember This When You Need a Laxative

It is better for you if your body keeps working as Nature intended. Food wastes (after digestion) should be eliminated every day. When you get constipated, take a dose or two of purely vegetable Black-Draught for prompt, refreshing relief.

Thousands and thousands of men and women like Black-Draught and keep it always on hand, for use at the first sign of constipation. Have you tried it?

BLACK-DRAUGHT

Humble men and women are scattered through the length and breadth of Texas, for in its various activities of producing, refining and marketing Texas oil the Humble Company furnishes jobs for some 14,000 Texans.

These folks are not strangers in the communities to which their varied jobs carry them; they're homefolks. They take their place in the community's life. They're interested in the schools, the churches, the civic organizations. They're your neighbors—they live next door, across the street, in the next block.

The Humble Company is proud of these men and women, counts them as its greatest asset, hopes that through them, your neighbors, you look on Humble as a neighbor, too—a neighbor warmly interested in the upbuilding of a common community. For the Humble Company is Texan, too, and very proud of it.

from the federal government. The national government will not pay over to the state any money for pensions unless old poeple are paid on the basis of necessity. This closes the door to the plan to pay pensions to every person in Texas over the age of 65 unless the constitution is amended and the state limit raised to that amount.

It was the first evidence of the old Texas political adage that platforms are made to run on and to be forgotten after the election.

Many Texas counties report indorsement of the $30 per month old age pension plan. Milam County Democrats took the first opportunity to frown upon Mr. O'Daniel's old age assistance plank.

It was pointed out that although the expenses of the state government may be cut in half, the state is without authority to pay an amount to old people in excess of $15 from state funds.

The convention finally got underway after it was called to order by John B. Henderson, secretary of the Democratic Executive Committee. The chairman, Judd G. Davis, was not present. The few delegates had no convention roll and no information on the number of votes each box could cast in the convention. Only a few O'Daniel supporters were in the convention and it developed that only four precinct conventions were held in the county, Rockdale, Thorndale, Milano, and the East Cameron box. Instructions are required to be given to election managers for holding conventions immediately after the polls close on primary election day.

Supporters of Ernest Thompson and Bill McCraw were in the majority in the convention, but with the exception of refusal to indorse the $30 payment to old people, the convention was unanimous for W. Lee O'Daniel.

The convention did not receive a list of nominees for county and district offices and could not take any action on declaring them to be the nominees.

R. L. Batte, Jr., of Thorndale was nominated for Chairman of the convention as an O'Daniel supporter, but declined to serve. O. L. Kidd a Thompson supporter, nominated Jim Baskin, ho was campaign manager for Ernest Thompson in Milam County.

Mr. Kidd then nominated J. B. White, a Thompson supporter, for secretary. This constituted a temporary organization of the convention and the organization was later made permanent.

The motion to instruct the delegates to the Beaumont convention to vote for a plank in the platform calling for a constitutional amendment and payment of $30 per month to old people in Texas over 65 years of old people in Texas over 65 years of age was made by J. B. White and seconded by R. L. Batte, Jr. The motion to table was made by E. B. Phillips of Rockdale, a Thompson supporter and was seconded by Bill Morrison, a McCraw supporter. The motion to table prevailed by a twelve to seven vote and thus was enacted the first of the after election plans to forestall the enormous burden of taxes necessary to carry into effect the O'Daniel plan of old age assistance.

O. D.Graham of Thorndale, O'Daniel supporter, made a short talk to the convention. He was followed by Bill Morrison, district attorney elect and Emory B. Camp, the retiring district attorney.

Mrs. C. M. Sessions of Rockdale, was chairman of the Committee on delegates for the state convention.

Bob Terry, an O'Daniel supporter and W. B. Skelton and O. L. Kidd served as a committee on permanent organization of the convention.

The committee on resolutions and platforms was composed of Lee R. Clore, A. N. Green and Ray O'Neil.

O. D.Graham was indorsed for a place on the state Democratic Executive Committee.

HEADACHE
due to constipation*

Relieve the cause of the trouble! Take purely vegetable Black-Draught. That's the sensible way to treat any of the disagreeable effects of constipation. The relief men and women get from taking Black-Draught is truly refreshing. Try it! No mineral drugs, no synthetic chemicals — just purely vegetable leaves and roots, finely ground.

THING IT OVER!

If you knew that you should die tomorrow, what would you do today? You would probably want to prepare to meet your God! For "it is set for man, once to die, but after that the judgment." Since there is nothing on earth more certain than death, and nothing more uncertain than the hour and day of death,—why not be wise and PREPARE TODAY TO MEET YOUR GOD. Learn from Christ's Gospel how to be prepared! "TODAY, if ye will hear His voice, harden not your hearts."

THE STATE OF TEXAS

To the Sheriff or any Constable of Milam County—Greeting:

You are Hereby Commanded to Summon Nona Bailey by making publication of this citation one in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Milam County, to be holden at the court house thereof in Cameron, on the 5th day of September 1938, the same being the 1st Monday in September 1938, then and there to answer a petition filed in said court on the 3rd day of August, 1938, in a suit numbered on the docket of said court No. 11,648, wherein Earl Bailey is plaintiff and Nona Bailey is defendant, said petition alleging: Statutory grounds of Cruel treatment, care and custody of two minor children.

Herein fail not, but have before said court on the said first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, Penn Wolf, Clerk of the District Court of Milam County, Texas.

Given under my hand and the seal of said court, in Cameron, this the 3rd day of August, A. D., 1938.

PENN WOLF,
Clerk of the District Court, Milam County, Texas.

A CARD OF THANKS

We take this method of expressing to our many friends and neighbors our sincere thanks and appreciation for your kindness and sympathy during the recent illness and at the death of our dear father and husband, August Boecker. We remember kindly all the expressions of sympathy which helped to bear our burden of sorrow. We thank those who gave flowers in token of their sympathy and all who in any way assisted us.

Mrs. August Boecker
and Family.

Miss Wanda Lee Vaughan is visiting in Waco in the home of Mrs. Claude Lee Day. She is the daughter of Mr. and Mrs. Tom Vaughan of Cameron.

TO THE PEOPLE OF MILAM COUNTY:

On Saturday, July 23, in my race for re-election as County Treasurer, you gave me a splendid vote and a large lead over my nearest opponent. I am deeply grateful for this vote and will greatly appreciate your support in the coming election on August 27.

I need this office and I hope that you will help me in my campaign. I want to thank each one who voted for me and those who voted for other candidates in the race, I wish would vote for me in the run-off primary. If you will elect me, I will be grateful all the days of my life.

R. A. DEVERS

To the People of Milam County:

Although I was defeated in the election on July 23, for the office of county treasurer, I am deeply grateful to my many friends for their vote and support.

I will remember each one with kindness for their encouragement and loyal support. It is re-assuring to know that I have so many friends in Milam County.
